## Checkout Visitor

A screenshot of a web application window titled "Visitor Management system". The window has a standard title bar with minimize, maximize, and close buttons. The main content area is light gray and contains the following elements:

- The title **Visitor Management system** in a large, bold, italicized font.
- Two radio buttons for gate selection: "Gate No. 1" (selected) and "Gate No. 2".
- Two radio buttons for activity selection: "Checkin" and "Checkout" (selected).
- Two buttons at the bottom: "Go" and "Manual Report".

The interface is clean and minimalist, using a light gray color scheme.
